Dear Parents and Carers

### Head of Year Welcome

We would like to take this opportunity to formally introduce ourselves to all our wonderful parents, carers and, most importantly, students who will be starting at Newfield School in September 2022. We will be the Heads of Year 7 in September, Mrs Otley and Mrs Thorpe, and we are very much looking forward to meeting our new Year 7 students and getting to know each and every one of them.

We are sure that our new students will be excited about coming to Newfield in September and all the fantastic learning that they will experience. However, we are also aware that some students will be feeling a little nervous too. We would like to reassure parents and carers that all students will have support from ourselves, their Form Tutor and a wide range of pastoral staff that can help with any issue, big or small, that may arise. A fantastic team of people support students and help them through their day. We would like to encourage all students to access the support when needed so that we can resolve any issues as soon as possible.

We have put together a fabulous transition package which enabled students to have some time at Newfield School before the term starts, and allowed them to get used to the school environment. We hope that they had a wonderful first few days at Newfield School.
